

The HomeGuard HomeWarranty Agent Resource Center

HomeGuard HomeWarranty is pleased to announce that it has created a new Agent Resource Center to provide a central engagement point for our Real Estate Professional partners.

Through this Agent Resource Center, agents and coordinators can:

1. Order new home protection plans through a dedicated agent order form that:
 - ◆ Pre-fills your own information
 - ◆ Suggests names to pre-fill Cooperating Agent and Escrow Agent information, if they are in our database.
2. Obtain a status list of all HGHW policies that are associated with you.
3. Use the Resource Center offers to access a library of marketing flyers that you may personalize:
 - ◆ Just Listed Flyers
 - ◆ Open House Flyers
 - ◆ Just Sold Flyers
 - ◆ 2020 Calendar
 - ◆ Doorhangers (not customizable)

Contact your HomeGuard HomeWarranty representative today, or find the new Agent Resource Center on our website:
