4 Star Plan Covers

Includes “3 Star Plan” coverage + “4 Star Plan” coverage

Air Conditioning Option: We cover filters, register grills, and window units, condensate drain pumps, and secondary drain pans. Combined air conditioning and heating limit, \$2,000.

Carbon Monoxide Detectors

Crane: We will pay for the cost of a crane or other lifting equipment required for a covered service of rooftop heating or air conditioning units (limit of \$250) per occurrence.

Dishwasher: Racks, baskets, rollers, and runner guards.

Disposal: We will pay for the costs to dismantle and/or dispose of defective equipment.

Garage Door Openers: Hinges, springs, cables, remote transmitters, key pads, sensors, and roller guides.

Heating: Register, grills, filters, and heat lamps. Increases combined air conditioning and heating limit to \$2,000.

Ice-makers: Icemakers (replaced with like quality up to \$1,000 per occurrence), provided parts are available. In cases where parts are not available, our obligation is limited to cash in lieu thereof based on the replacement cost of the icemaker as if one was available, Beverage Dispensers (replaced with like quality up to \$500 per occurrence).

Improper Installations, Repairs: We will service an existing defect or mechanical failure of an item that was improperly installed, repaired or modified prior to or during the contract term. If the improper installation, repair, or modification violates a code requirement, Code Upgrade applies.

Lack of Maintenance: HGHW will repair or replace systems and rust, corrosion, or sediment, unless otherwise noted in the contract. Homeowner is responsible for maintenance costs (not related to coverage provided in our HVAC Tune-Up option) prior to the technician performing repairs on problems caused by lack of maintenance.

Limited Code Upgrade/Modification: HGHW will pay up to \$250 for code requirements and modifications needed, in aggregate under this contract for corrections, repairs, replacements or upgrades to comply with building and zoning codes when replacing plumbing, electrical and heating systems and components (does not apply to ductwork). We may, at our option, pay the contract holder in lieu of performing the work.

Microwave Oven (Built-in only): Interior lining, door glass, clock, and shelves.

Mismatched Systems: We will cover an existing defect or mechanical failure of a system that was not properly matched in size or efficiency prior to or during the contract term. Coverage does not apply if the cause of failure of the system or appliance is solely due to the improper installation/repair/modification or mismatch condition, or if the system is undersized relative to the square footage of the area being heated or cooled. If the mismatched system violates a code requirement, Code Upgrade applies.

Oven/Range/Cooktop: Rotisseries, racks, handles, knobs, dials, interior lining, and clock.

Permits: When local building permits are required prior to rendering a covered service, we will provide up to \$250 per occurrence for re-quired permits. We will not be responsible for service when permits cannot be obtained.

Plumbing: Showerheads and shower arms (replaced with chrome builder's standard when necessary), faucets, hose bibs, and toilets (replaced with like quality up to \$600 per occurrence).

Refrigerant Recapture, Reclaim and Disposal: HGHW will pay costs related to freon recapture, reclaim and disposal (if required).

Trash Compactor: Removable buckets, lock and key assembly.

Water Heater: Failures caused by sediment and expansion tanks.

Not Covered: Bathtubs, sinks, shower heads and arms, enclosures and base pans, caulking and grouting, hose bibs, sewer ejector pumps, toilet seats and lids, septic tanks, water conditioning or purification systems, supply or flow restrictions, saunas, steam rooms, bidet, whirlpool bathtub jet plumbing, indoor/outdoor sprinkler systems, booster pumps, conditions caused by electrolysis, frozen pipes, noise, diesel or oil-fired water heaters, Phoenix systems, stoppages that cannot be cleared with a standard sewer cable or hydro-jetting, water heat pump attachment, tub spout and tub spout diverter, fire suppression systems, sensor faucets, manifold to supply lines.

4 Star Plan: Showerheads and shower arms, (replaced with chrome builder's standard when necessary), faucets, hose bibs, toilets (replaced with like quality up to \$600 per occurrence).

5 Star Toilet Replacement: In the event of sediment/calcium build-up, toilet will be replaced with a like quality toilet.

5 Star Plumbing Coverage: Tub-spouts and tub diverter valves (replaced with chrome builder's standard), gas sediment trap.

5 Star Enhanced Slab Leak and External Pipe Leak Coverage: Increases total limit of concrete encased or inaccessible plumbing to \$2,500.

Note: With respect to concrete-encased or inaccessible plumbing lines, access and repair is limited to \$1,500 aggregate per contract (including leak tests and diagnostic testing).

Note: \$1,000 maximum per contract term for diagnosis, repair or replacement in regards to Polybutylene Plumbing.

Note: If a reroute is necessary the coverage is limited to the cost of the repair.

Note: See Access for exclusions.

11. WATER HEATER (Gas or Electric)

Covered Items: Control thermostat and thermocouple, drain valve, tank leaks, gas valve, heating elements, temperature and pressure relief valves, tankless hot water heaters, recirculating pumps, and expansion tanks.

Not Covered: Solar units and/or components, holding tanks, noise, energy conservation units, fuel storage tanks, flues and vents, or failures caused by sediment.

4 Star Plan: Failures caused by sediment, expansion tanks.

5 Star Plan Covers: Replacement of flues, vents, humidifier, air cleaner, and Nest thermostat if required, to effect repair/replacement of a covered claim.

Note: \$1,500 maximum per contract term for diagnosis, repair or replacement of power-vent, direct-vent tankless hot water heaters, and water heaters over 50 gallons.

Note: If space cannot be made to adequately complete replacement of water heater a credit up to \$1,500 will be given to the homeowner in lieu of replacement.

Note: Homes under 5,000 sq. ft. only one water heater applies and optional coverage can be purchased for \$50 if more than one water heater in the home.

B. Optional Coverage

1. BOOSTER PUMP

Covered Items: Pump utilized for main dwelling only. Domestic use only. One well pump/booster pump per Plan.

Not Covered: Control Boxes; pressure switches; capacitors or relays; cost of locating pump.

2. ENHANCED SLAB LEAK AND EXTERNAL PIPE LEAK COVERAGE (Included in 5 Star Plan) (Available on detached single family homes only; not available for condos or multi-unit buildings.)

Enhanced Slab Leak Coverage: HGHW will increase the Standard Plan limit by \$1,000 for the repair/replacement of plumbing pipe leaks in water, drain or gas lines located under, or encased in, or covered by, concrete that are located within the interior of the main foundation and attached garage.

External Pipe Leak Coverage: HGHW will cover concrete encased or underground pipe leaks located outside the main foundation of the covered structure, including water, drain or gas supply lines that service the main home or other home protection plan covered structure only. The leak must be the result of normal wear and use.

Not Covered: Faucets, hose bibs, gate valves, consequential or secondary damage, solar or sprinkler system, above or below ground pool piping, down spout or landscape drain lines, frozen pipes, roots and damage done by roots.

Note: \$1,500 maximum per contract term for diagnosis, repair or replacement.

5 Star Plan Covers: Increases total limit of concrete encased or inaccessible plumbing to \$2,500.

3. HOMEOWNERS INSURANCE DEDUCTIBLE COVERAGE

If a claim is paid by your Homeowners Insurance as a result of secondary damage caused by a covered failure, we will reimburse you up to a maximum of \$500 toward your deductible. All claims for deductible are handled separately from the request for service. To receive reimbursement, you must provide to our reasonable satisfaction proof of an insurance deductible paid specifically in regard to secondary damage caused solely by a system or appliance failure covered by the plan within 90 days of service. Send proof to service@HGHW.com. In addition, any questions or concerns should be directed to service@HGHW.com.

4. KITCHEN REFRIGERATOR

Covered Items: All parts and components located and operated in the kitchen area that affect operation except those listed as not covered.

Not Covered: Handles, lights, ice makers, ice crushers, beverage dispensers and their respective equipment, interior thermal shells, filters, removable components, food spoilage, stand alone freezers and refrigerators located outside kitchen area.

4 Star Plan Covers: Icemakers (replaced with like quality up to \$1,000 per occurrence), provided parts are available. In cases where parts are not available, our obligation is limited to cash in lieu thereof based on the replacement cost of the icemaker as if one was available, Beverage Dispensers (replaced with like quality up to \$500 per occurrence).

Note: Diagnosis and repair or replacement is limited to \$5,000 aggregate per contract term.

5. MILITARY/FIRST RESPONDER DISCOUNT

Note: Proof of identification must be submitted for discount to take effect.

Covered Items: All components that affect the cooling operation of the unit including compressor, thermostat, condenser coil, evaporator and defrost system.

Not Covered: Ice maker, ice crusher, beverage dispenser and their respective equipment, filter, interior thermal shells, food spoilage, insulation, multi-media centers, wine vaults, cost of recapture or disposal of refrigerant, refrigerator/oven combination units, removable components which do not affect the primary function, detachable components, baskets, buckets, dials, knobs, handles, door glass, lights, light sockets, light switches, pans, trays, rollers, racks, shelves, runner guards, interior lining, trim kits, vents, flues, drawers.

Note: Diagnosis and repair or replacement is limited to \$1,500 aggregate per contract term.

Note: If parts are not available, our obligation is limited to cash in lieu of repair.

Note: Coverage cannot be added at the time of renewal but can be renewed if on original contract.

Note: If parts are not available, our obligation is limited to cash in lieu of repair.

10. ROOF LEAK COVERAGE (LIMITED)

Covered Items: Leaks caused by rain to tar and gravel, tile, shingle, shake and composite roofs over occupied living areas will be repaired as long as leaks are caused by normal wear and tear, and the roof was in watertight condition at the start of the coverage.

Not Covered: Roof leaks caused by or resulting from roof mounted installations, metal roofs, foam roofs, improper installations, improper construction or repair, missing or broken materials, patio covers, skylights, gutters, drains, scuppers, antennas, chimneys, failure to perform optional maintenance, defects in balcony or deck serving as roof, damage caused by walking on roof, flashing, or leaks manifested prior to the effective date of this plan.

Note: Coverage is not available for homes over 5,000 square feet. An actual water leak must occur during the coverage period for coverage to apply under this plan. We will pay up to \$500 for manufactured homes and \$1,000 for single family homes and multi-units up to Fourplex per contract for the repair of specific leaks. If replacement of the existing roof, in whole or in part is necessary, coverage is limited to the estimated cost of repair of the leaking area only. If the repair of the area is not possible, our liability is limited to cash in lieu of the estimated cost of repair of the leaking area only. Routine periodic maintenance is not covered by this contract. Secondary or consequential damage is not covered by this contract. Service delays frequently occur during the first rain of the season or in heavy storms. While we will make every effort to expedite service, no guarantees can be made. Improper install does not apply. In the event the roof has exceeded its life expectancy and must be replaced, this coverage will not apply.

11. SEWAGE EJECTOR PUMP

Covered Items: All components and parts that affect operation of sewage ejector pump, aerobic pump and grinder pump.

Not Covered: Basins and any costs associated with locating or gaining access to, or closing access from the sewage ejector pump.

Note: We will not pay more than \$500 maximum for repair and/or replacement.

Not Covered: Conditions that were known prior to the close of escrow or noted on the inspection report.

5 Star Plan Coverage: Increases any maximum limits an additional \$250 (\$500 aggregate per contract).

NEVADA RESIDENTS: If the emergency renders the dwelling unfit to live in due to defects that immediately endanger health or safety, repairs will commence within 24 hours, and be completed as soon as practicable. If repairs cannot be completed within three calendar days, we will provide a status report as to when repairs will be completed to you and to the Commissioner by electronic mail at pcinsinfo@doi.nv.gov. If you are not satisfied with the manner in which we are handling your request, you may contact the Commissioner directly at 888.872.3234.

Arbitration Agreement please read carefully:

Any controversy of claim arising out of or relating to this policy or the breach thereof, shall be settled by final and binding arbitration filed by the aggrieved party with and administered by the American Arbitration Association (hereafter referred to as "AAA") in accordance with its Commercial Arbitration Rules in effect at the time the claim is filed. The Rules, information and forms of the AAA may be obtained and all claims shall be filed at any office of the AAA or at Corporate Headquarters, 335 Madison Avenue, Floor 10, New York, New York 10017-4605. Telephone: 212-716-5800, Fax: 212-716-5905, Website: www.adr.org. The arbitration of all disputes shall be decided by a neutral arbitrator, and judgement on the award rendered by the arbitrator may be entered in any court having competent jurisdiction thereof. Any such arbitration will be conducted in the city nearest to the property covered by this contract having an AAA regional office. Each party shall bear its own costs and expenses and equal share of the administrative and arbitrator's fees of arbitration. This arbitration Agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT OR OPPORTUNITY TO LITIGATE THROUGH A COURT AND TO HAVE A JUDGE OR JURY DECIDE THEIR CASE, BUT THEY CHOOSE TO HAVE ANY AND ALL DISPUTES DECIDED THROUGH ARBITRATION, BY AGREEING TO THIS PROVISION, THE PARTIES ARE GIVING UP ANY RIGHT THEY MIGHT HAVE TO SUE EACH OTHER.**

Terms of Coverage

This contract covers only those parts, systems, and appliances specifically mentioned as covered. All coverage is subject to limitations and conditions mentioned in this contract. This is not a contract of insurance.

If an item fails during the contract term, the contract holder must contact our Customer Service Department toll-free at 866-993-2302. Calls are received 24 hours a day and 7 days a week. Should the contract holder contract directly with others or do the work themselves, HGHW will not be responsible for reimbursement of that cost. Upon receiving a request for service, HGHW will call a qualified contractor within 3 hours during normal business hours, and 48 hours on weekends or holidays. The contractor will then call the contract holder directly to schedule a mutually convenient appointment during normal business hours. Service will be initiated within 48 hours after the request for service is received. HGHW will determine what services constitute an emergency and will make reasonable efforts to expedite emergency service within 24 hours. If the contract holder should request HGHW to perform service outside normal business hours, the contract holder will be responsible for payment of additional fees, including overtime.

When we request or authorize you to obtain an independent out of network contractor to perform diagnosis and/or service:

1. The Contractor must be qualified, licensed, and insured, and charge fair and reasonable rates for parts and service.
2. Once the technician is at the home, and prior to any services being rendered, you must call our authorization department with the technician's diagnosis and dollar amount of services required. Covered repairs or replacements will be authorized if work can be completed at an agreed upon rate, 866-993-2302.
3. We will provide an authorization number for the covered services and dollar amount that we have authorized.
4. Upon completion of the authorized services, the contractor must provide you an itemized invoice for the authorized charges.
5. You must submit the itemized invoice, including the authorization number provided by us, for reimbursement.
6. One deductible is due per each item covered by this contract. The deductible(s) will be subtracted from any reimbursement provided.
7. You are expected to pay the independent out of network contractor directly for the services rendered and then submit the invoice to us for reimbursement. We accept invoices by fax 866-993-2303, U.S. mail at 510 Madera Avenue, San Jose CA 95112, or email to: service@HGHW.com.
8. Failure to contact us and follow procedures 1-7 above may result in denial of coverage.

9. This contract covers single-family dwellings under 5,000 square feet unless amended by HGHW prior to the close of escrow. Call 866-993-2301 for prices on homes in excess of 5,000 square feet, multi-unit homes, guest homes, casitas and the like. Coverage begins when appropriate fees are paid. This coverage is for owned residential property only. Covered dwellings cannot be used for day care centers, nursing homes, care homes, fraternity/ sorority houses or any other commercial purpose. Coverage on leased property and vacation rentals is available for the lessor only. Contract fees are due and payable to HGHW upon execution of the lease. Coverage continues for 12 months from the lease origination date.

We will provide service for covered systems and appliances which malfunction during the term of the Plan that:

- Are installed for diagnosis and located within the interior of the main foundation of the home and attached garage (inside the load bearing walls of the structure). Systems or appliances located on the exterior or outside of the home (including porch, patio, etc.) are not covered unless otherwise noted in the contract.
- Are in good, safe working order at the start of coverage and were correctly installed.
- Have become inoperable due to normal wear and tear and use, rust/corrosion, and chemical or sediment build-up during the term of the contract.
- Pre-existing conditions are not covered.
- If not stated under "covered" it is excluded from our contract.

Coverage may apply to a malfunction which existed on the effective date of the Home Owners Coverage if, at that time, the malfunction was undetectable and would not have been detectable by visual inspection and simple mechanical test. A visual inspection of the covered item verifies that it appears structurally intact and without damage or missing parts that would indicate inoperability. A simple mechanical test consists of turning the unit on and off, verifying the unit operates without irregular sounds, smoke or other abnormal outcome.

Contract holder must cooperate with HGHW in HGHW's investigation into any claim under this contract. Cooperation includes, but is not limited to: (a) making contract holder available at reasonable times for communications with HGHW's representatives; (b) providing truthful and accurate information to HGHW's representatives to full extent of contract holder's knowledge; (c) making premises available at reasonable times for inspection; and (d) providing HGHW with all estimates, damage evaluations, fire and police reports, and all other relevant documentation within 10 calendar days of a HGHW representative's request for documents. This paragraph is a material provision of this contract; and contract holder's breach of this paragraph constitutes a ground for denial of coverage.

SERVICE CALL FEE

There is a \$90 service fee for each trade call, or actual cost, whichever is less, paid to each contractor at the time of service (i.e. if you need a plumber and an appliance technician each will require a service fee). The contract holder is responsible for payment of the trade service call fee after a service request is dispatched and scheduled to a service contractor. This includes when:

- A service contractor is in route to the customer's home;
- A customer fails to provide accessibility necessary to perform the service request;
- A service contractor's diagnosis results in a complete or partial exclusion of coverage;
- HGHW approves a customer's request for a partial exclusion.

Failure to pay the service fee will result in suspension of coverage until such time as the proper fee is paid. Upon receipt of that payment, coverage will be reinstated for the remainder of the contract term. Service request must be received prior to the expiration of the contract term.

Service work is guaranteed for 30 days on labor and 90 days on parts without an additional service fee. The 30 day guarantee only applies to malfunctions that are reported to HGHW during the term of this contract. Pest control service work is guaranteed for 30 days from the original date of service.

OUTSIDE OF ESCROW

Coverage for homes outside of escrow will begin 30 days following receipt of payment by HGHW. Optional Coverage selected may be unavailable at time of renewal. There is a 60 day grace period from the start date of the policy during which you may add Optional Coverage. You must request and pay for Optional Coverage within the 60 day grace period. This Plan is transferable to a new owner. In that event, please notify us.

RENEWAL

If eligible for continuation of coverage for another one-year term, contract holder will be notified by mail within 60 days prior to the expiration of the current contract of prevailing rates and terms for continuation and may make changes to plan coverage for the next year at this time. Contracts on monthly auto charge payment plans will be scheduled for automatic continuation for another one-year term unless the contract holder notifies HGHW in writing to discontinue future plan coverage 30 days prior to the expiration of the current contract. Offer for future coverage is at HGHW's sole discretion. You will be notified of rates and terms for continuation coverage.

Contract Warranty Services

Limits of Liability

HGHW's liability is limited to failures due to normal wear and tear ACCESS

HGHW is not responsible or liable for costs of construction, carpentry or other modifications necessary to remove, relocate or install equipment, unless specifically noted in the contract.

- When a covered plumbing service is performed, access will be provided through unobstructed walls, ceilings, and floors only.
- When access is provided under this contract, restoration to wall, closets, floors, ceiling, or the like will be to a rough finish only.
- We are not responsible for providing or closing access to covered items, except as noted above and in coverage plan limits.
- We do not provide coverage to remove or install non-related systems, appliances, or equipment in order to render a covered repair or replacement.
- We do not excavate or backfill.

GENERAL LIMITATIONS

This plan does not cover systems or appliances, repairs, replacements or upgrades required as a result of:

- A malfunction due to missing components or equipment.
- A malfunction due to lack of capacity of the existing system or appliance.
- A malfunction due to a system or appliance with mismatched components in terms of capacity or efficiency (unless otherwise noted in the contract).
- Routine maintenance or cleaning.
- Damage caused by people, pests, misuse and abuse and pets.
- Missing parts.
- Improper repair, installation and/or modifications (unless otherwise noted in the contract).
- Repairs or Replacements that are subject to manufacturer warranty are limited to \$1,000 aggregate (for labor only).
- Repair, replacement, installation or modification of any covered system or component for which a manufacturer has issued a warning, recall or other design flaw or determination of defect.

This plan does not cover:

- Cosmetic or other defects that do not affect the functioning of the unit.
- Solar Systems and Components (unless otherwise noted in the contract).
- Electronic, computerized, pneumatic, energy or manual management systems.
- Systems or appliances classified by the manufacturer as commercial or commercial equipment modified for domestic use. Any system or appliance that is solely been used for commercial use.
- Systems or appliances will be repaired or replaced with matching similar features, capacity and efficiency. We do not match brand, color or dimensions. If feature is no longer available, our obligation is limited to equivalent unit based on available existing features.
- Systems and appliances that have no malfunction, that have not failed due to normal wear and tear or that are not installed for diagnosis.
- Service requested prior to the effective date of the coverage or after the expiration date of coverage.
- Service requested for Optional Coverage not purchased, or for options not available to Home Seller.
- Restocking and return shipping fees.

HGHW will determine whether a covered item will be repaired or replaced. We have the right to a second opinion. The homeowner may order his/her own second opinion but shall be responsible for the cost.

PERMITS AND OTHER FEES

- When government regulations, building, and/or similar code criteria require improvements and/or additional costs to service a covered system and/or appliance including permits, the costs to meet the proper code criteria shall be the sole responsibility of the contract holder, except where otherwise noted in this contract.
- HGHW will be responsible for repairs and/or replacement of covered systems and/or appliances after the proper code criteria are met, except where otherwise noted in this contract.
- When upgrading covered systems, parts or components to maintain compatibility with equipment manufactured to be 14 SEER (Seasonal Energy Efficiency Ratio) compliant, HGHW is not responsible or liable for the cost of construction, carpentry, or other structural modifications made necessary by installing upgraded equipment.
- The cost to haul away components, systems or appliances that have been replaced (unless otherwise noted in this contract).
- The cost of cranes or other lifting equipment (unless otherwise noted in this contract).
- Relocation of equipment.
- The systems or appliance must have a failure in order for the code criteria to apply.

GENERAL EXCLUSIONS

- When parts are necessary for completion of service, HGHW will not be responsible for delays that occur in obtaining those parts. HGHW reserves the right to repair systems and appliances with non-original manufacturer's parts, including rebuilt or refurbished parts.
- This plan does not cover services due to smell, noise, fire, flood, smoke, power failure, surge/and or overload, soil movement, structural changes, design deficiency, inadequate

design, accidents, riots, war, vandalism, land subsidence, slope failure.

- HGHW is not responsible for consequential or secondary damages resulting from the failure of a covered item and/or failure to provide timely service due to conditions beyond HGHW control, including but not limited to delays in securing parts, equipment, labor difficulties and or weather.
- We do not pay, nor are liable for secondary or consequential loss or damage; personal or property loss or damage; or bodily injury of any kind.
- We do not pay for food spoilage; loss of income; utility bills; or living expenses.
- Common/shared systems and appliances are not covered. If this plan is for a unit within a multiple of five or more units, then only items contained within the actual unit will be covered. Common grounds and facilities are excluded unless otherwise covered in this policy.
- The control, remediation, abatement, or removal of mold, mildew, fungi, or bacteria or their by products, are not covered even if the failure of an otherwise covered system, component or appliance is the actual or suspected cause of the mold, mildew, fungi, or bacteria. Any necessary service to a covered item that is located adjacent to any area affected by mold, mildew, fungi, or bacteria, will be undertaken only after the homeowner has repaired the condition. Where toxic, hazardous or controlled materials or containments including but not limited, to asbestos, PCB's, lead paint or like are found or suspected, HGHW shall be under no obligation to service or repair the affected item or system.

CASH IN LIEU/REPLACEMENT

Circumstances where the cost of completing a full repair or replacement exceeds a stated contract dollar limit, HGHW will pay an amount equal to the contract dollar limit in lieu of providing repair or replacement services. Some or all of such payment may be made to you and/or a service contractor, in all other circumstances:

- HGHW reserves the right to require you to accept cash in lieu of repair or replacement services in an amount based on what the ordinary customer would expect to pay after negotiating the best price for such services in your area and without the benefits of this contract when:
 - Following a response to a covered breakdown, the item would remain non-compliant with applicable laws, regulations or code requirements.
 - The item is subject to a manufacturer's recall for a defect unrelated to the covered breakdown.
 - An item becomes non-repairable and a replacement item is no longer available.
- HGHW may also offer you the option of accepting cash in lieu of repair or replacement services based on what HGHW would ordinarily expect to pay for parts and labor for covered items, an amount that is usually less than retail cost or actual cost. HGHW is not obligated to extend such an offer in any particular instance. Such offers are typically made subject to restrictions and must be submitted during the contract term.

HGHW is not responsible for work performed by any contractor once cash in lieu of work has been authorized. HGHW is also not responsible for non-covered work performed or non-covered costs charged by a contractor dispatched to provide covered services.

CANCELLATION

No service contract that has been in effect for at least 70 days may be cancelled by the provider before the expiration of the agreed term or 1 year after the effective date of the service contract, whichever occurs first, except on any of the following grounds: (a) failure by the holder to pay an amount when due; (b) conviction of the holder of a crime which results in an increase in the service required under the service contract; (c) discovery of fraud or material misrepresentation by the holder in obtaining the service contract, or in presenting a claim for service thereunder; (d) discovery of: (1) an act of omission by the holder; or (2) a violation by the holder of any condition of the service contract, which occurred after the effective date of the service contract and which substantially and materially increases the service required under the service contract; or (e) a material change in the nature or extent of the required service which occurs after the effective date of the service contract and which causes the required service or repair to be substantially and materially increased beyond that contemplated at the time that the service contract was issued or sold.

No cancellation of a service contract may become effective until at least 15 days after the notice of cancellation is mailed to the holder.

The customer may cancel this contract at any time and for any reason.

If this Plan is cancelled by you within the first 30 days of coverage and is void you will receive a full refund if no claim has been made for service and you return and/or notifies us within 20 days after the date that the provider mailed the contract to the purchaser or within 10 days if the provider furnishes the purchases with a cop of the contract to the purchaser or within 10 days if the provider furnishes the purchaser with a copy of the contract at the time it is purchased. However, if services have been rendered you will receive a pro rata refund for the unexpired term, less service costs incurred during the current contract year. If this Plan is cancelled after 30 days, you will receive a pro rata refund for the unexpired term, less service costs incurred during the current contract year. A 10% penalty per month shall be added to a refund not paid within 45 days of request to cancel.

If the contract fees are billed through a mortgage loan that is later sold or paid in full, then uninterrupted coverage can be arranged by immediately calling 886-993-2302 to establish an alternate payment method. This contract will be deemed cancelled if the contract holder fails to initiate such payment arrangements within 30 days.

This Plan is backed by the full faith and credit of HomeGuard HomeWarranty Inc.

The provider of this contract is HomeGuard HomeWarranty, Inc., who is located at 510 Madera Avenue, San Jose, CA 95112.
